BUS:

Take the **Lufthansa Airport Bus** to Munich Central Station. Tickets can be purchased from the bus driver or [online](#). The last departure from the airport is at around 22:25 (depending on the stop).
Travel time to Munich Central Station - approx. 45 minutes.

Bus schedule:

- [● Airport -> Munich](#)
- [● Munich -> Airport](#)

Leaving the bus you need to cross Main / Central Station. Follow this sign for the **U-Bahn** (underground):

At the south part of the Central Station you will find the entrance to the U-Bahn.

You need to take the **U4** or **U5** direction "**Westendstraße**" or "**Laimer Platz**" which are leaving from the same platform.

Get off at the 4th stop: "**Westendstraße**".

TRAIN:

Follow this sign for the **S-Bahn** (urban rail network). The station is in the basement of the central area between terminals 1 and 2. You can buy tickets at a manned counter at the top of the escalators which go down to the tracks, or at the ticket machines (ticket for zones M–5, the underground ticket is included). Take the line **S1** or **S8** to Central Station (Hauptbahnhof/abbreviated Hauptbhf./Hbf). Then take the **U-Bahn** (underground, see above). Travel time to Munich Central Station - approx. 40 minutes.

🌐 [Journey planner](#) (shows all public transport, incl. buses)

To go back to the airport, it's easier to take the bus, or a taxi. If you want to take the train, take the **S8** which says "**Flughafen / Airport**". The S8 saying "**Herrsching**" is not going to the airport. The S1 will stop halfway to the airport and split into two trains. One train will go to the airport, the other will go to "**Freising**". Before the train splits, announcements will be made and you will have ca 10 mins to change to the correct carriage.

Looking forward to seeing you soon!
