## **HOW TO GET FROM THE AIRPORT TO THE WORKSHOP VENUE**

In Berlin, public transport is often the quickest way to get around.

Find the best connections by underground, suburban railway and bus: <https://www.bvg.de/en>

The railway station is located in the terminal basement. It's signposted very clear. To travel from Berlin Brandenburg Airport by train into Downtown Berlin you need a ticket that covers zones ABC. You can buy a ticket from the vending machines at the Terminal 1 station. Take a ticket from BER to the stops within the city's ABC zone (ca. 4,70 euros).

It is important to **validate** (stamp) your ticket **BEFORE boarding** the train. You cannot validate your ticket on the train. The ticket validators are located close to the ticket machines.

**The suburban railway S9 goes from BER to Friedrichstrasse every 20 minutes but stops at every station. The faster regional train RE8 Wittenberge is hourly, the RB23 Potsdam Golm every 30 minutes.** Take the first train that's leaving.

The meeting venue (DVR) is only about 10 mins on foot from the station Friedrichstrasse (refer to the maps).

After the workshop, to get from Friedrichstraße to Berlin Brandenburg Airport (BER) take the **RE8 Flughafen BER or the RB23 Flughafen BER or the S9 Flughafen BER.**

If you have any questions, please do not hesitate to contact us.

We are looking forward to meeting you soon!
